and by giving a recapitulation* point out the amount of encouragement with the task of demonstrating the immense extended trade relations with her Colonies

Judging from the cordial support the last four Exhibitions—the first outside the Metropolis—it is a reasonable extended scale, offering a chance to achieve a still larger measure of commercial reciprocity. It is a reasonable assumption, that on all sides the Colonial Products will be well received.

The resources of the Empire as the time goes on, a position to help to the realised—the established dependent of supplies people and by that aid

That this end can be achieved and it is difficult to discuss than endeavouring, as far as possible, realising by personal inspection the number and extent of the

With this object in view from December 7 to December 14 and for this purpose every effort will be made to supply samples of each and every product.

With many months available for the various Colonial authorities, whose co-operation Managers entertain sanguine hopes of the extent and diversity, has never before occasion. Sir Alfred L. Jones, K.C.M.
